Company Profile

MIK Construction Inc., was founded in 2008, as a family owned business. MIK Construction continues to strive for excellent quality of work and customer service/satisfaction.

Management Profile

Billy Kim, president of MIK Construction Inc., has managed and performed several federal projects prior to starting MIK Construction. He has managed a \$30 million Job Order Contract (JOC) at Camp Pendleton and a Design Build Roofing MACC contract. He understands the federal guidelines including the UFC, FAR clauses, and the process of job management on federal projects.

Services

MIK Construction Inc., (MIK) is licensed for General Engineering "A", General Building "B", Roofing/Waterproofing "C39" and Electrical "C10" in the State of California. MIK provides services ranging from preconstruction, estimation, design build solutions, and construction management. MIK self performs the following trades: Roofing, Waterproofing, Framing, Drywall, Painting, minor Electrical and Concrete. With extensive experience in federal, state, local, Job Order Contract, and IDIQ jobs, MIK guarantees outstanding construction services to all our clients.
